

Office Attendance Regulations 2026

Section 1: Work Schedule and Shift Rules

The standard workday consists of 8 working hours, excluding the lunch hour. Our core office shifts are: Shift A (8:00 AM - 5:00 PM), Shift B (9:00 AM - 6:00 PM), and Shift C (10:00 AM - 7:00 PM). Shift changes must be approved by management.

Punctuality is crucial. Team members must be present at their workstations or logged in remotely by the start time of their assigned shift. Shift adherence is tracked automatically by the ERP system logs.

Section 2: Punch In and Out Protocols

Every employee must record their daily attendance by clicking 'Punch In' at arrival and 'Punch Out' at departure. Forgetting to punch in/out will result in a missing attendance log.

Regularizing attendance logs: If an employee misses a punch due to a technical error or offsite business meeting, they must submit an attendance regularization request within 48 hours to their supervisor.

Section 3: Break and Meal Periods

Employees are allowed a 60-minute unpaid lunch break, which should be scheduled between 12:30 PM and 2:30 PM. Supervisors coordinate lunch timings to ensure team coverage.

Two short 15-minute paid tea breaks are permitted—one in the morning session and one in the afternoon session. Abuse of break durations or leaving premises without informing supervisor is prohibited.

Section 4: Lateness, Half-days, and Absences

Arrival after 10:15 AM (for the 9:00 AM shift) is officially flagged as a late arrival. Accumulating 3 late arrivals in a single calendar month will trigger a automatic deduction of a half-day casual leave.

Leaving work before completing 4 hours will result in a half-day marked. Any absence without prior notice or approved leave for 5 consecutive days is treated as job abandonment and leads to termination.

Section 5: Overtime and Weekly Tracking

Overtime (OT) must be pre-authorized in writing by the department head. OT is only applicable to non-executive staff performing critical maintenance or project tasks beyond standard hours.

Employees must complete a minimum of 40 hours per week. The weekly hours metric is displayed on the employee dashboard. If a weekly hour total falls below 35 hours without leave, pay deductions will apply.
